"Success Starts Here"

Dear WM Preschool Parents/Guardians:

January 2019

Preparations for the upcoming 2019-2020 school year have begun. The district will accept registrations for our Kindergarten programs starting on January 14, 2019. It has been determined that your student is eligible, based on their date of birth, to enroll. If you intend to register your student for Kindergarten for the 2019-2020 school year within the West Milford Public Schools, please visit our website under Special Services to complete the forms mentioned below. Please note, you will not follow the "traditional" Kindergarten registration process 19-20 as you already initially registered with our district for preschool. Instead, you will only be required to complete the following forms as indicated on the Special Services link below.

http://www.wmtps.org/district/special_services/kindergarten_registration_for_w_m_preschool_studen

Emergency Information Form
Annual FERPA Notification Parent Consent and Photo Release Form
Student Acceptable Use Agreement and Consent Form
Pre-Kindergarten Readiness Inventory Surveys
Acknowledgement of Physical Requirement
Student Physical Examination
Report of Dental Examination

Families who register prior to February 5, 2019, will be given the opportunity to select a morning or afternoon orientation session at their kindergartener's homeschool. Registrations received after this date, will be assigned. For your convenience, we attached the Kindergarten Orientation dates and times for elementary schools.

Once you complete the forms, please submit all forms to your child's new **attending** school as shown below.
